ABOUT US

We are driven by loving what we do and what we make everyday. We get to use the finest ingredients to make what we believe are the tastiest treats around. And... we love the idea that our treats are making people happy every time they bite into one. How much fun is that!

ABOUT MICHELLE

Toronto Cupcake was created by Michelle Harrison so she could pursue her love of baking. A lifelong baker, inspired by her mother, Michelle opened Toronto Cupcake in August 2010 as one of Canada's first gourmet cupcakeries.

GIVING BACK

Toronto Cupcake works with many neighbourhood and community organisations in the GTA. Since opening in 2010, Toronto Cupcake has been willing to assist by donating cupcakes, time, and caring to many charitable causes. We update this page with news about events and organisations we are involved with.

Toronto Cupcake acknowledges that Toronto and Toronto Cupcake are in the "Dish With One Spoon" territory. The Dish With One Spoon is a treaty between the Anishinaabe, Mississaugas and Haudenosaunee that bound them to share the territory and protect the land. Subsequent Indigenous Nations and peoples, Europeans and all newcomers, have been invited into this treaty in the spirit of peace, friendship and respect.
